

## PETER TAVY “DESIGN THE BEST EASTER EGG EVER” COMPETITION – JUDGES’ COMMENTS

### Under 5 category:

**Violet’s first egg:** Excellent use of craft and colour. Limited on the drawing but sequins cleverly inserted. Merit.

**Violet’s Second egg** - Particularly liked the clever use of the carrot to indicate munching. Colouring in first class. **Winner of the Under 5 category.**

**Alba’s egg** - Wow. A lot going on here. Nicely kept inside the lines. Well done. Merit.

### Age 6 to 11 category:

**Shannon’s egg** - Very frightening. Clever use of repeat of the Logo. Merit

**Felicity’s egg** - Beautiful zig zags and lovely stuck on flowers. Extra Merit.

**Harvey’s egg** - What a happy egg!! Lovely

**Isobel’s egg** - An egg with a story, so clever. Beautifully illustrated and scaled. **Winner in Category.**

**Isaac’s egg** - Another fantastic story, and a highly rated entry. However the judges had issues with the health and safety aspects of this design. An M and M in the eye can be quite sporting!

**Sophia’s egg** - Well executed and seems to show printing ability. Very pretty hearts. Merit

**Georgia’s egg** - Artistic combination of colour, glitter, and stick-on. Very free spirited. Extra Merit.

**Clara’s first egg** - An egg with feet and arms, how clever! A self propelled egg, careful on the corners you might roll away!! Merit.

**Clara’s second egg** - Excellent detail and colour. I particularly enjoyed the rainbow. Extra Merit.

**Ava’s egg** - An egg with sub-titles to help the judging panel. So kind, thank you. The little smiley face was a special touch. Extra Merit.

**Jess’ egg** - A see-through egg. What a brilliant idea. I do hope the little bird is ok. Merit

**Hazel P.’s egg** - Mr Disney’s egg. Does he know you have it? The castle and the characters are instantly recognisable. Well done. Extra Merit.

**Freya's egg** - Without doubt they best executed egg in the class, including a very talented display of depth perception in the guitars. However the judges did take exception to the choice of bands and in this time of reflection, the general standards of dress and behaviour of the performers identified reflect a rather haphazard approach to personal hygiene, and lack of familiarity with the washing machine! That said an excellent entry. Extra Special Merit.

### 12 to 16 Age group:

**Charlotte's egg** - Instantly recognisable. Well done. The lopsided grin shows excellent design skills.

**Hannah's first egg** - Marvellous expression, excellent execution. Winner in Class

**Hannah's second egg** - Nice sense of irony in the of-centre mouth.

**Eva's Cactus Egg.** What imagination. Who would of thought of making an egg look like a cactus. Plenty of green colouring, but easy on the spines!! Merit.

*Nothing to separate these excellent entries. So the judges went M and M because it made them laugh.*

### 17 + Age Group:

What talent! You have all done very well. Equal first to **Sarah's egg** and **Sandra's egg**...
